

Wear Jeans On Denim Day

RAPE IS NEVER OK

May 24, 2017

Although it is not legal, many rape cases that go to court get lost by the survivor because of what she was wearing or how much she was drinking.

Denim day is a resistance of that.

Rape is about power and control.

Not sex, not clothing, not alcohol use.

Stand in solidarity

Create a culture of consent

Wear Denim on May 24.
